Administrative Procedures - Standing Committees

## POLICY STATEMENT

Standing Committees shall be representative of the teachers, students, and parents (with the exception of positive action, scholarship and guidance). The committee serves for one year beginning July 1 and ending June 30. The committee will select a chairperson and a secretary from its membership and determine the frequency of their meetings and the agenda for the meetings. The committee is subject to the open meetings law in KRS 61.280 and KRS 61.825. Minutes of each meeting will be taken and filed in the school office as part of the council's official records.

Creation of technology committee

## POLICY STATEMENT

The site based council or its designee shall create and maintain a technology committee. The purpose of this committee shall be to shape the upkeep, direction, and utilization of the technology of Hancock County High School.

The committee shall:

1. Lay plans for future purchases.
2. Monitor upkeep for current assets.
3. Help ensure adequate training is provided
4. Ensure that technology, at HCHS, is being used to its fullest potential.

This committee shall consist of volunteers from the faculty at HCHS. The committee shall be chaired by the principal or their designee.

Requirements for a Middle School core class to be transferred to the High School for credit.

## POLICY STATEMENT

Hancock County High School accepts credit for Hancock County Middle School for core courses offered for high school credit (\*Algebra 1, Spanish 1 and in other special cases involving GT students). The following criteria must be met by middle school students in order for the course to be accepted as high school credit:

1. The student must obtain an A or B for any course grade transferred to the high school for credit.
2. A student who makes an A or B on a transferable course may opt to take the class over at the freshman level.
3. The student/parent will make a decision to accept or reject the grade for high school credit at the end of the middle school's third nine week grading period.

\*At the time of the July 2023 review, Algebra 1 was being taught at HCHS and was no longer an option for transfer from middle school.

Transfer Credits and Grades recorded on transcripts

## POLICY STATEMENT

For the purpose of being consistent, the following is the suggested format by the administration of Hancock County High School for recording grades of transferring students from other districts as well as schools out of the state of Kentucky. The reason for this need is that some school districts only provide letter grades on official transcripts. For these students, numerical grades will be entered as follows;

A = 95%  
B = 85%  
C = 75%  
D = 65%

Note: It is possible for a student to have transfer grades recorded on HCHS transcripts that are LOWER than what would be acceptable according to the HCHS grading scale. For example, if a student is credited with getting a B at another school with an 83%, we have to honor that B even though 85% is the lowest B on the HCHS grading scale.

**\*At the time of the July 2023 review, this policy was outdated and obsolete. The revisions were made to reflect appropriate percentages to allow students success with transitioning to HCHS.**

Hancock County High School - Writing Policy

## POLICY STATEMENT

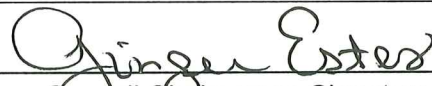

Pursuant to KRS 160.345(2)(g), the local superintendent shall determine which curriculum, textbooks, instructional materials, and student support services shall be provided in the school after consulting with the local board of education, the school principal, and the school council and after a reasonable review and response period for stakeholders in accordance with local board of education policy. As such, Hancock County High School's school-based decision making (SBDM) council or designated committee will assess the school's writing curriculum, as selected by the district's superintendent, to determine congruency and alignment to the Kentucky Department of Education's Guidelines for Including an Effective Writing Program Within the Curriculum for districts, which establishes that all students shall be provided multiple opportunities to develop complex communication skills through writing and shall be allowed student choice and exploration.

During its assessment, the SBDM council will utilize an evaluative method that ensures the superintendent's writing program selection allows teachers and students an opportunity to meet the KDE's Guidelines for Including an Effective Writing Program Within the Curriculum allowing for multiple opportunities for students to develop complex communication skills for a variety of purposes, to read and analyze a variety of print and non-print materials, and to use a variety of technological tools in the writing process.

Evaluation: The school council shall annually review the effectiveness of the school's writing program to ensure the writing program aligns to the Kentucky Department of Education's Guidelines for Including an Effective Writing Program Within the Curriculum for districts. This data shall be included as part of the comprehensive school improvement planning process and the resulting feedback shall be shared with the district's superintendent for consideration.

- Students that are failing in ANY of their classes (overall grade)
- Students that have been assigned four (4) or more events in ISLA in a semester.

Teachers will generate a list of students who wish to participate and send it to the staff. The Attendance clerk will check grades for eligibility and alert teachers of ineligibility. Field trips of this category include:

- Any field trip that is taken during the school day as an enrichment for instructions.
- Any field trip that is taken during the school day that IS considered competition will only apply up to the point that students' names must be submitted for competition (Ex: FBLA enters names in Feb for a March competition).

Exceptions to this policy are:

- Any co-curricular field trip that is taken outside of the normal school day, especially if the field trip involves competition (Examples: FFA, FBLA competitions)
- Any athletic event that takes place after school or for District, Region or State competitions during the school day.

Educational Enhancement Opportunities (EHOs) – Submitting and receiving approval

## POLICY STATEMENT

Each year, a student may apply for up to 10 days of Educational Enhancement Opportunity absences – EHOs. Some examples of EHOs include taking extended family trips that are educational in nature, attending personal development or religious conferences, job shadowing, extended college visits, etc.

The principal or assistant principal approves or denies all requests. The following process will be followed for accepting, reviewing, and approving EHO requests.

- EHOs forms must be submitted to the front office a minimum of 48 hours in advance of the absence.
- The school principal or assistant principal will review the application for EHO. The strength of the application as well as the student's current grades, attendance, and behavior will also be considered.
- Communication will come from the principal, assistant principal, or attendance clerk.

Top Ten Awards Banquet – Students Selected from Early College & Full-Time HCHS

## POLICY STATEMENT

Top Ten students who earn the annual Top Ten banquet sponsored by the Hancock County Board of Education will be determined using the following process:

- Grades from the midterm of the 4th nine weeks will be used  
\*see amendment for college students
- The 10 students with the lowest sum of weighted and unweighted ordinal rankings will make up the Top Ten. (*The 10 students with the highest weighted and unweighted average rankings will make up the Top Ten.*)

The specific protocol used by school leadership to calculate these rankings is on file with the Principal and Guidance Counselor.

**Amended (July 2021)** - College students will use grades based on Fall term as long as they are making progress in the Spring Term towards an associates degree. (Rational: College classes will not give update grades to high schools while a class is in session.)

Consultation and the Hiring of Classified and certified Personnel

## POLICY STATEMENT

The Hancock County Site Based Decision Making Council has established the following policies to be followed when hiring certified and classified employees.

- The principal will review the applications sent from the Superintendent and will set up interviews.
- The interview committee will be appointed at the discretion of the principal but every effort will be made to include a SBDM member (teacher and/or parent) and a certified member from the department that the position is filling.
- The principal will determine appropriate questions and ensure the same questions are asked to each applicant with an opportunity for follow up questions from the council or applicant.
- The principal will make every effort possible to fill vacant positions as soon as possible.
- When the hiring decision has been completed the principal will contact the references of the person to be hired. If the references are positive, the principal will recommend the hire to the Superintendent of the school system. Employment will not be made official until the Board meets to accept the hiring of the individual for the position.
- The principal will inform the SBDM Council of any new hires and/or resignations and retirements at the next available SBDM meeting.
- The principal will include a bullet on each monthly meeting regarding consultation and hiring of classified and certified staff.
