Principal's Note

The Family Showcase night is this Thursday, May 2nd, starting at 5:00pm. We will have the Pappy's, Cluckers, and the Hello Pop food trucks here that evening and a very special science presentation by Brad Reynolds that we know our students will love. He always brings great animals and information for students. The Science presentation will take place in the gym at 6:00pm. The highlight of the evening will be that each family will be able to visit their student's classroom and see their work and progress over time this year, and just how much they have grown in their learning. So, come out at 5:00pm, check out your students' classwork and artwork, grab some dinner, and then join us in the gym no later than 6:00pm for the science show. Our students love showing their parents how hard they have worked and will be looking forward to this night.

State Testing begins next week on Monday, May 6th for our 3rd, 4th, and 5th graders. They have worked so hard all year with our teachers, and we know they will do an amazing job showing what they know. As always, please encourage them to eat a good breakfast each morning, and maybe a high-five or hug to cheer them on!

Also, just a friendly reminder that there will be NO SCHOOL on Tuesday, May 21st as this is election day and voting takes place in our schools. Thank you!
-Jennifer Howe, Principal

SBDM election

Parents, we will be holding our Site Based Decision Making Council Parent representative nominations starting this week, Wednesday, May 1st. This nomination and following election will fill one parent position for a two year term, 2024-2025 and 2025-2026. A link will be sent out to all parent/guardian emails that we have, but you will also be able to come into the school to fill out a paper nomination if you prefer, starting on Wednesday, May 1st, in the front office. Following the nominations, we will be holding a parent election with the nominees listed to decide a majority vote. The nomination process will last for 7 school days, May 1st- May 10th. We will then begin the election process starting on Monday, May 13th and it will run through Friday, May 17th. The SBDM council is an important facet of our school, that is conferred with by the principal to review budgeting, staffing, curriculum, safety, achievement, and other school related issues and supports. Please consider nominating another parent or yourself for this important role.

We are accepting donations of:

Kool-Aid Jammers
mini water bottles
Smarties
Hersheys Kisses
Tootsie Rolls
Blow Pops

*We encourage every family to fill out a Free and Reduced Meal Application. The quickest and easiest way to do that is online. Look for the Food Service link on the Infinite Campus/Parent Portal app. We can send one home with your child at any time. Complete that application and return it back to the school ASAP.

*Does your child have a diagnosed food allergy? Make sure our staff receives a modified meal form from your physician. Fax to 270-927-6916.

*You may put money in your child's meal account by going to your Parent Portal account using a debit/credit card. When sending lunch money to the school please put it in an envelope with the child's name and teacher on it. You can also send a check to HCPS Food Service, 83 State Route 3543, Hawesville, KY 42348.
